

Dear Community Members and Staff:

Due to an increased amount of requests, we are going to open the Fitness Center/Weight Room for public use.

There will be a minimal charge of \$25 per half school year (September to January and February to June). The monies are being collected due to the current contingency budget. They will cover the cost of use, repair, or future replacement.

If you are interested in joining up to use these facilities, please stop by any office (District, High School, or Elementary) or call 562-8131, Ext. 1532, to request a packet to be completed. You may also download the packet on our webpage. Go to www.ekcsk12.org, select Download Forms then Fitness Center Application.

Once the application packet has been completed, the final approval will come from the Athletic Department. The facilities can be used during the following times:

When school is in session:

*Monday through Friday: 6:00 p.m. to 8:00 p.m.

*Saturdays: 9:00 a.m. to 12:00 p.m.

*Before school, when in session: 6:00 a.m. to 7:30 a.m.

*After school hours, when in session, if not used by the District: 3:15 p.m. to 4:30 p.m.

Please read the guidelines for use to help keep both you and the District safe.

In order to get a membership card, you will have to have your picture taken. Please call 562-8131, Ext. 1532, to set up a time that is mutually agreed upon.

Sincerely,

Edwards-Knox Central School District
